OFS Professional Services

Service Overview

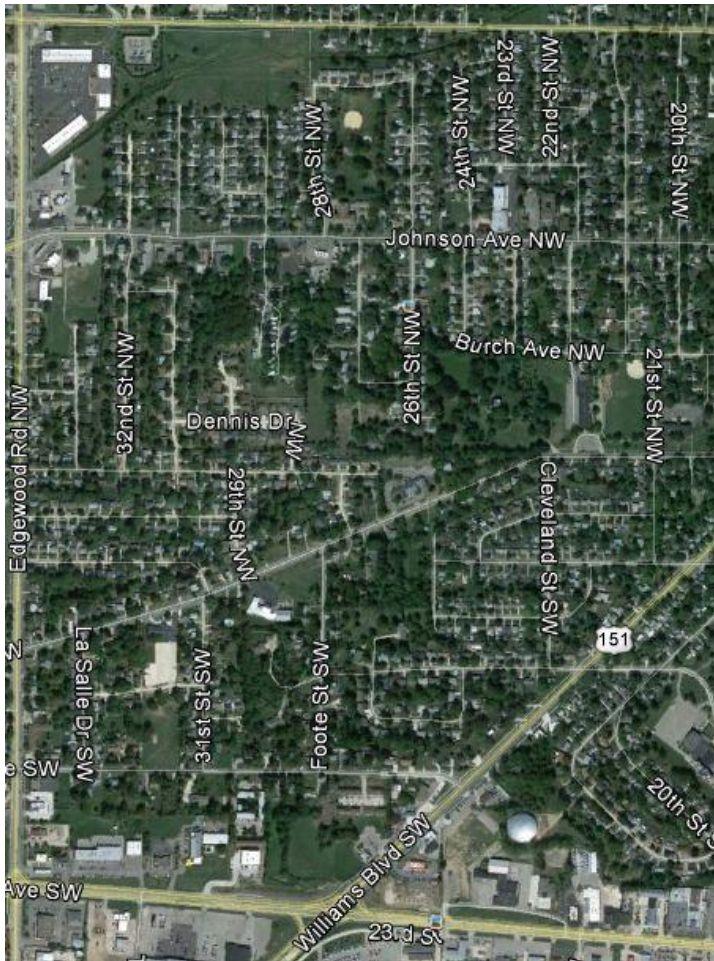

The Offer

- **For an area of up to 1,000 premises we will provide**
 - ❖ Proposed feeder fiber routes
 - ❖ Proposed distribution fiber routes
 - ❖ Proposed hub/splitter locations

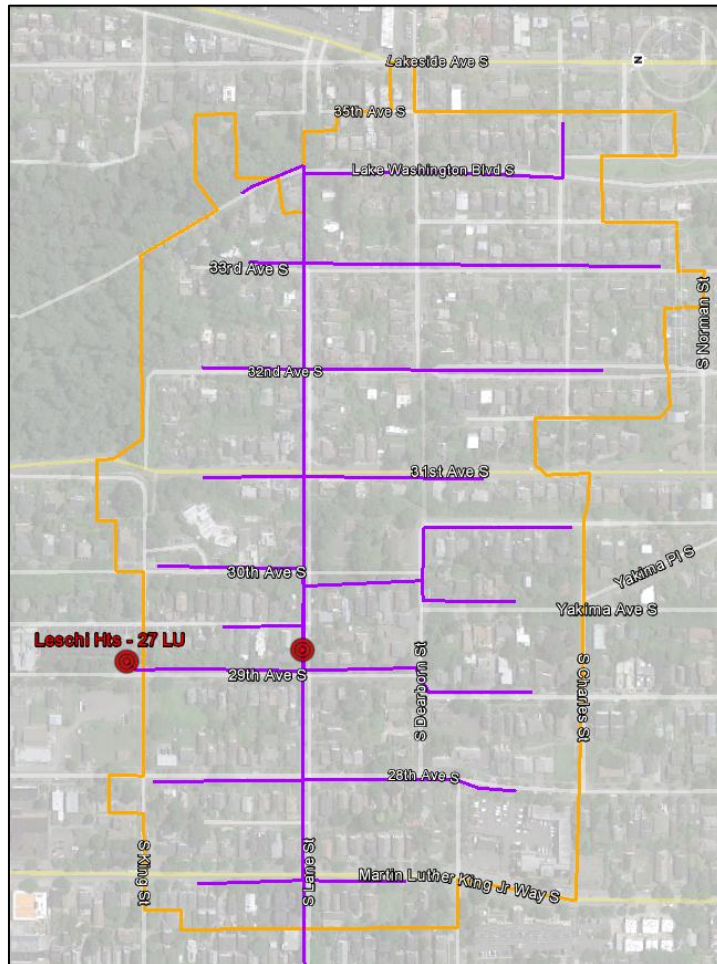

- **What we require**
 - ❖ Location details
 - Preferably Google Map of the area, or
 - Longitude Latitude
 - Bounds of area to be examined
 - ❖ Expected take rates

Example Input

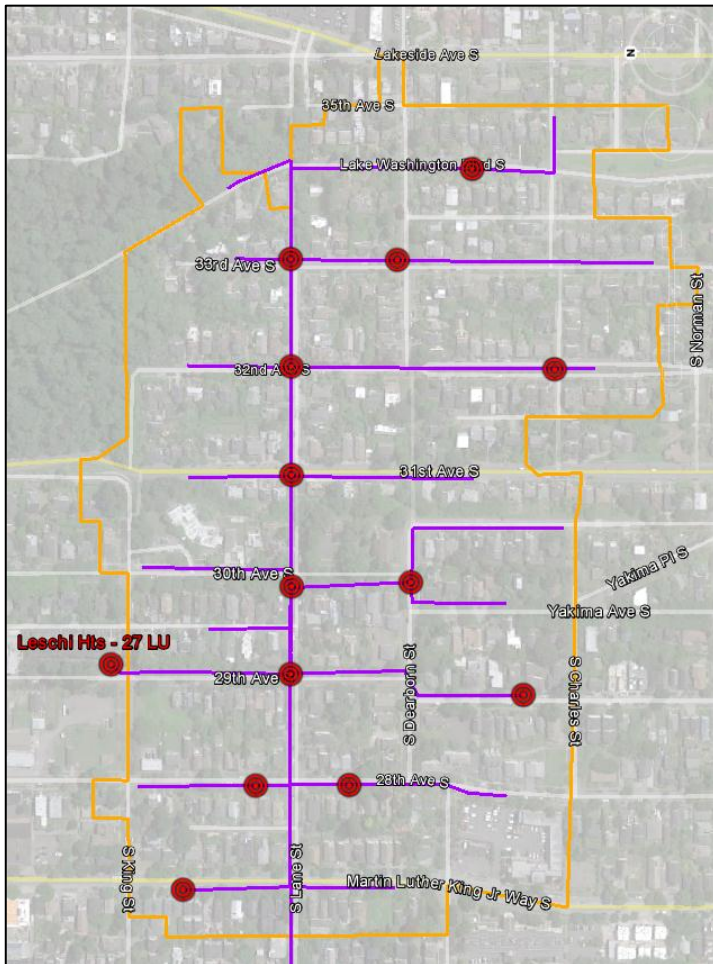

- Provide target community
- Provide bounded area to be examined
- Output is in Google Earth so we need to locate area
- Provide targeted take rate (e.g., 35%)
- Take rate will drive design

Example Output - Centralized

- Map of area
- Boundary of work to be performed
- Hub locations
- Feeder and Distribution fiber

Example Output - Centralized

- Map of area
- Feeder routes
- Distribution routes
- Splitter locations
